

# GENUGTEN AGRI

PROFESSIONALS IN ANIMAL HOUSING

At Genugten Agri, everything revolves around innovation, efficiency, and quality in the construction and furnishing of livestock farms. We are the leading specialist in turnkey solutions for pig and dairy farming, taking care of the complete project: from design and construction to installation and furnishing. This makes us one of the few players in the market that truly offers the complete package.

With successful projects in the Netherlands, Germany, Belgium, Romania, Hungary, and France, we provide customized solutions for modern agricultural businesses. Whether it's a finisher pig barn or a complete dairy farm, we combine the latest technologies with a practical approach.

**Our business expands further in Europe. For our office in Sint-Oedenrode, we are looking for a:**

## BIM Modeler

Within this position you are responsible for developing complete 3D models and working drawings for various types of barns (including pig, dairy, and young cattle barns). You will create all necessary structural details, such as foundations, concrete floors, slatted areas, façades, and roof structures. Based on client requirements and project data, you will design an optimal barn layout, integrating all technical components such as ventilation ducts and manure & feed systems. You will also prepare the drawings needed for permits and calculations. Throughout the design process, you will maintain a keen eye for potential design or implementation bottlenecks, ensuring they can be resolved efficiently.

### We ask you:

- Technical insight
- Affinity for agricultural construction projects.
- Familiarity with Revit is preferred (opportunity to take a course in this area)
- Higher Professional Education (HBO) degree in construction, mechanical engineering or installation technology
- Fluent in Dutch and English

### We offer you:

- Employment conditions acc. the Construction & Infrastructure Collective Labor Agreement:
- Excellent salary
  - 43 vacation days, 13 of which are paid monthly
  - Monthly net payment from the TSF Sustainable Employability Scheme
  - 8% vacation allowance (paid in May)
  - A good pension plan
  - Professional & informal working atmosphere, where teamwork and innovation are central.
  - Personal attention to development and the opportunity to participate in training/courses
  - Annual drinks, team outings, and parties.

### Want to apply?

Do you want to be part of a progressive and friendly company where craftsmanship is valued? Then you've come to the right place! Apply today via [vacatures@genugten-agri.nl](mailto:vacatures@genugten-agri.nl), attn. Sanne van Grinsven, and we hope to see you soon.
