

# GENUGTEN AGRI

PROFESSIONALS IN ANIMAL HOUSING

At Genugten Agri, everything revolves around innovation, efficiency, and quality in the construction and furnishing of livestock farms. We are the leading specialist in turnkey solutions for pig and dairy farming, taking care of the complete project: from design and construction to installation and furnishing. This makes us one of the few players in the market that truly offers the complete package.

With successful projects in the Netherlands, Germany, Belgium, Romania, Hungary, and France, we provide customized solutions for modern agricultural businesses. Whether it's a finisher pig barn or a complete dairy farm, we combine the latest technologies with a practical approach.
